Aethera Color-Select Wide Pendant By Golden Lighting

Description

Elevate your space with Aethera, a pendant light fixture that redefines modern elegance with its innovative craftsmanship and minimalist charm. Expertly crafted using a precise sand cast system, Aethera features a flawless concrete surface that highlights the raw beauty of its material. Its clean lines and understated form exude sophistication, making it the perfect accent for contemporary interiors, from chic urban lofts to sleek, modern offices. Each pendant is made from authentic concrete, blending industrial allure with a touch of refinement. A topcoat enriched with sand creates a subtle sparkle, enhancing the texture and adding an unexpected layer of elegance. Supported by sturdy steel cables and a reinforced canopy, Aethera offers enduring durability alongside its striking design. Features color-select technology which allows user to select between 3000K, 4000K and 5000K color temperature options.
