Aethera Color-Select Outdoor Wall Sconce

By Golden Lighting

Description

Elevate your space with Aethera. Expertly crafted using a precise sand cast system, Aethera features a flawless cement shade that highlights the raw beauty of its material. Its understated form exudes sophistication, making it the perfect accent for contemporary interiors, from chic urban lofts to outdoor spaces. Each wall sconce is made from authentic concrete, blending industrial allure with a touch of refinement. A topcoat enriched with sand creates a subtle sparkle, enhancing the texture and adding an unexpected layer of elegance. Features color-select technology which allows user to select between 3000K, 4000K and 5000K color temperature options.

Shown in matte black / white sandstone
