Aenon Linear Pendant By Golden Lighting

Description

Aenon's universal style positions the series as a contemporary design perfect for transitional to modern homes. The striking Hammered Water Glass draws the eye and quickly becomes a topic of conversation and admiration. Strong masculine steel arms cradle Aenon's unique glass panels, suspending them mid-air. When lit, the Hammered Water Glass contrasts the contemporary finishes and reflect the bright light.

Shown in brushed champagne brass / clear hammered glass
