Glacier Linear Pendant

By Golden Lighting

Description

Immerse your space in the tranquil beauty of Glacier, a lighting fixture inspired by the ethereal charm of glacier ice. Handcrafted from piastra glass, each piece carries its own unique character while retaining a harmonious organic shape. The dreamy alabaster treatment creates a soft white cloud finish, evoking the serene elegance of natural ice formations. Every detail of Glacier speaks to its exceptional craftsmanship. Designed by Golden Lighting's in-house team and meticulously made by hand, this fixture is a testament to artistry and quality. Custom glass cuffs seamlessly cover the metal light cups, ensuring a polished and refined appearance, while the textured glass enhances its visual allure.
