Marlee Pendant By Golden Lighting

Description

The perfect addition to your coastal-inspired dream space, Marlee is casual, rustic elegance in a compact design. The fixtures feature organic materials and geometric shapes. A rope shade works with metal hardware to create a stylish mix of materials. Beneath the shade, partially exposed bulbs provide widespread illumination. The fixtures cast intriguing light and shadow patterns onto nearby surfaces. The handwoven Raphia rope has a modern, contemporary look that is highly adaptable to rattan furniture and decor trends.
