# Cay Wall Sconce

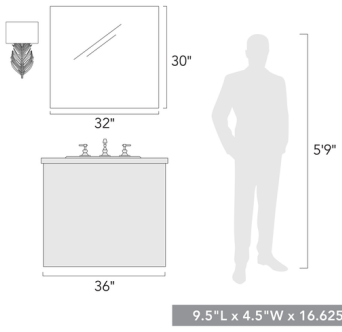

By Golden Lighting

## Description

Nature-inspired decor done in a tasteful and highly adaptable way, the beautiful details of the Cay Wall Sconce leave nothing to be desired. Our designers let their imaginations run wild when they incorporated these realistic, curved palm fronds into functional art. A bright and elegant way to illuminate, these transitional, organic-inspired fixtures make a lasting impression. This 2-light wall sconce looks great when hung alone, but even better when flanking a mirror or large piece of artwork.
