Malta Pendant By Golden Lighting

Description

Graceful and modern, Malta is perfect for airy, sophisticated, and contemporary spaces. The source of the series' true beauty is the clear statement glass. Suspended by tension, gravity alone holds the striking glass in place. The beautiful conical glass flairs elegantly at the top and bottom, shielding the inner lamp cluster. The collection balances feminine and masculine styles. Hang these stylish pendants over a dining room table or group them over a kitchen island.

Shown in matte black / clear
