Cassio Mini Pendant By Golden Lighting

Description

Strong, industrial lines and a unique geometric design are the basis of the Cassio series. Dramatic, double edges and bold lines make Cassio a focal point that is sure to add visual interest to any space. As if frozen in space, an exposed lamp sits within a suspended 3-dimensional cube. The open, glass-free cage lends an airy, playful tone while providing utility in the form of widespread light and easy bulb changes.
