Elton Wall Monorail Head

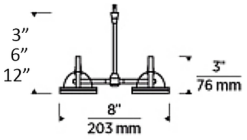

By Visual Comfort Architectural

Description

The Elton Wall Monorail Head combines simplicity with functional technology. Light direction from the double heads can be adjusted using the 360 degree head rotation and 360 degree pivot. This light is perfect for residential and commercial applications including galleries and retail stores. A wall monorail connector is included. Each integrated louver lens holder can hold a glass lens (sold separately) or an eggcrate louver (two included). Dimmable with an ELV or MLV dimmer, depending on the system transformer. Notes: Requires a 1-circuit wall monorail track system, sold separately. Not compatible with MaxLite 8W MR16 LED bulbs.

Shown in satin nickel
