John Wall Monorail Head

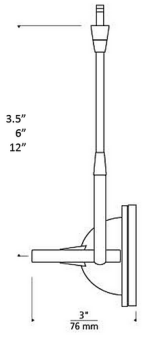

By Visual Comfort Architectural

Description

Combining simplicity with functionality, the John Wall Monorail Head is perfect for residential and commercial applications including galleries and retail stores. Light direction can be precisely adjusted using the 360 degree head rotation and 360 degree pivot. The integrated louver lens holder can hold an eggcrate louver (included) or a glass lens (sold separately). A wall monorail connector is included. Dimmable with an ELV or MLV dimmer, depending on the system transformer. Notes: Requires a 1-circuit wall monorail track system, sold separately. Not compatible with MaxLite 8W MR16 LED bulbs.

Shown in satin nickel
