DESCRIPTION

The 10X/5X Gooseneck Mirror features two optical quality glass mirrors to ensure a clearer reflection of your true self. On one mirror head, the 10X magnification is great for touch-ups, detail, and make-up application. On the other mirror head, the 5X magnification is perfect for viewing up close in detail while still allowing you to see your entire face. This versatile makeup mirror functions as both a vanity and a wall mounted mirror via the patented slide-on suction cup mounting bracket (included). Simply insert one of the mirror heads into the bracket, and use the suction cups to mount it on most any smooth, flat surface. Dimensions: 11 inch height x 6.25 inch width x 6.25 inch diameter.
