10x/1x LED Next Generation Travel Mirror By Zadro

Description

The LED Lighted Travel Mirror features two high quality glass mirrors to ensure a clearer reflection of your true self. One mirror features 10X magnification, which is great for touch-ups, detail, and make-up application. The other mirror has 1X magnification, which is perfect for all-around hairstyling, cosmetics, and everything in between. The LED Lighted Travel Mirror easily opens into an upright standing position for hands-free make-up application. Plus, the sleek, fold-up design allows it to collapse into a compact size for travel portability. Two LEDs are included. 3 AAA batteries are required, but not included. Dimensions: 11.5 inch height x 4.5 inch width x 1.5 inch diameter.
