Tessera Linear Chandelier By Hammerton Studio

Description

The Tessera Linear Chandelier brings jewelry inspired elegance to your interior space. A slender backplate is adorned with tile motifs crafted from artisan cast crystal glass, using the 2,500-year-old art of glass mosaic tiling. The result is a stunning play of light that casts warm, shimmering shadows throughout your room. **Note:** Select Wood or Matching side panel accents to complement your style. Dimmable with Triac (standard) or Low Voltage Electronic Dimmers, sold separately. Due to the weight of this fixture, additional ceiling support is required.
