Gocce Vertical Pendant By Italmamp

Description

The Gocce Vertical Pendant was inspired by a fortune teller's crystal ball, reimagined as a playful, minimalist lighting fixture. The white glass sphere appears to float in mid-air as it bathes the room in warm, diffused light. The globe is attached to a cylindrical polymer body, which adds an extra dimension to the design.

Specifications

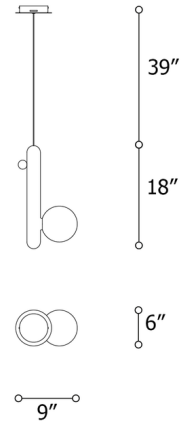

COLOR White
BODY FINISH Matte Midnight Grey
WATTAGE 11W
