Swan Table Lamp

By Jamie Young Company

(65)

Description

Soft swirls of pure resin dance around the base of the Swan Table Lamp, suggesting the majestic curve of a swan's silhouette. A wonderful choice for a coastally inspired decor, the clean palette is continued with a linen drum shade and warmed with antiqued brass hardware. A simple circle in clear acrylic provides an anchor, subtly reflecting the water the birds call home. Three-way switch located on socket.
