## Saturn Table Lamp

By Jamie Young Company

(65)

### Description

Inspired by outer space's most celebrated rings, the Saturn Table Lamp's shape is perfected with an unexpectedly cheerful finish. The bright reactive glaze evokes thoughts of spring and renewal, and due to the unique process used to create it, no two will be identical. If you are looking to bring some bold, beautiful, delightful color into an otherwise neutral home, this is it! Three-way switch on socket.
