Rowan Table Lamp

By Jamie Young Company

(65)

Description

Mango wood beads are artisan carved and hand-strung onto metal wire to form the playful yet supremely stylish base of the Rowan Table Lamp. Each bead is as unique as the natural material it is formed of, and these variances in shading, size, and finish create mesmerizing one-of-a-kind patterns, ensuring that no two are identical. Perfect in pairs, place on a nightstand or buffet for a casually chic way to illuminate any modern decor. Three-way switch on socket.
