Remedy Wall Sconce By Jamie Young Company

Description

The Remedy Wall Sconce's timeless silhouette is enhanced with artisan-crafted quality and updated with sumptuous materials. Each is handcrafted of iron with a warm, antiqued brass finish, and capped on both ends with domes of natural alabaster. The stone gently diffuses the light, and its natural striations and veining ensure that no two are identical. Consider displaying in pairs to flank a mirror, window, or doorway. Can be mounted horizontally or vertically.
