Anguilla Wall Sconce

By Jamie Young Company

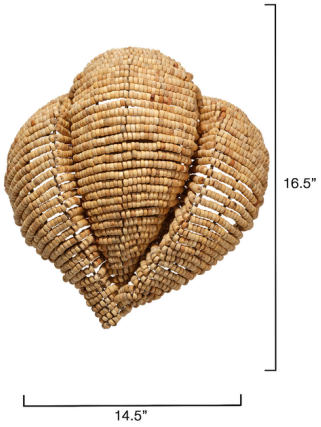

(65)

Description

Overflowing with charm, the delightful Anguilla Wall Sconce will enliven any room when hung individually, in multiples down a hallway, or mixed into a gallery wall. Each is beautifully crafted of small mango-wood beads strung on strong metal wire. Every bead is as unique as the natural wood material, and these variances in shading, size, and finish create mesmerizing one-of-a-kind patterns, ensuring that no two are identical.
