Zinnia Chandelier

By Jamie Young Company

(65)

Description

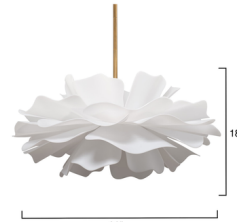

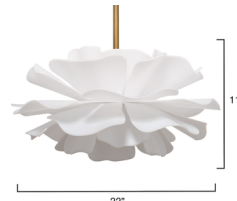

Bursting with beauty, the Zinnia Chandelier was inspired by flowering zinnias in bloom. Each is masterfully hand-crafted of frosted white acrylic, with antiqued brass hardware providing the perfect counterpoint. Exuberant and graceful, the large petals softly diffuse the light from the bulb nestled within. Whether it's above a kitchen island, or in an entry, they are certain to delight.
