Reservoir Chandelier

By Jamie Young Company

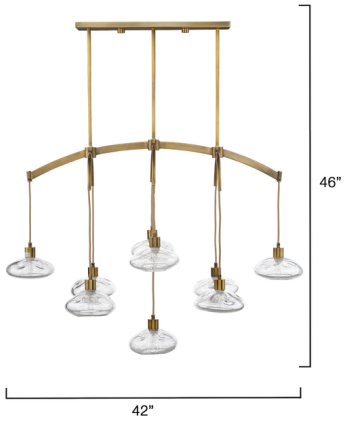

(65)

Description

Light and airy, the Reservoir Chandelier's composition is simple: nine blown glass shades, warm antiqued brass iron, and plenty of style. Over a sleek dining table, the look is clean and contemporary, and the minimalistic esthetic provides maximum impact. As always in designs this simple, the craftsmanship is on full display. Each of ours is artisan made and hand blown, and no two will be identical.
