Atomic Rings Pendant By Montclair Light Works

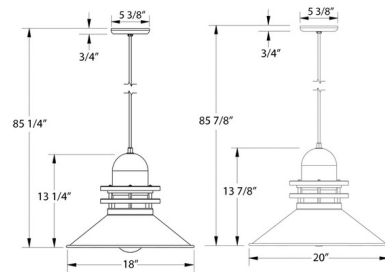

Description

The Atomic Rings Pendant brings a traditional 1920's industrial look to your interiors space. The vintage perforated dome shade, with two rings around the top, surrounds a glass jar diffuser, casting warm light around your room. The polyester powder coat finish provides color retention and scratch resistance. Note: All options offered have clear glass, but all images are shown with frost glass. No images available for clear glass.

Shown in light blue / clear
