The Laddi Cylinder Wall Sconce By Roll & Hill

Description

Like guiding points on a compass, the Laddi Cylinder Wall Sconce features a distinct yet referential form. This piece gracefully balances white oak or polished unlacquered brass with a luminous smoked glass shade in a sleek silhouette. Note: The brass accents are unlacquered; with use they will darken and patina over time. Polishing will restore the sheen if desired.

Shown in white oak / cased smoke
