Crown Chandelier

By SkLO

Description

Experience the mesmerizing union of modern sculptural design and artisanal craft with the SkLO Crown Chandelier. A centerpiece of the acclaimed SkLO + AvroKO collaboration, the Crown Chandelier is a substantial, statement-making fixture that redefines the traditional chandelier typology through a lens of geometric symmetry and material honesty. The fixture features a captivating octet of eight smaller, hand-blown glass cylinders that elegantly ring a larger, central frosted glass core. The tops of the glass cylinders curve to echo the dome shape, creating a harmoniously symmetrical silhouette. Crown's geometric silhouette and two-toned color palette will complement a wide variety of decor styles. Crafted in the Czech Republic, each glass element carries the subtle irregularities and unique character inherent to mouth-blown production features like tiny bubbles and slight variations in color saturation that SkLO celebrates as evidence of the maker's hand.

Specifications

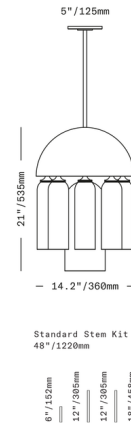

COLOR Pastel Green / Pine Tree Green
 BODY FINISH Dark Oxidized
 WATTAGE 63W
 DIMMER Standard 120V
 DIMENSIONS 14.2"W x 21"H
 BULB INCLUDED 9 x JCD/G9/7W/120V LED

Technical Information

COLOR RENDERING 90 CRI
 LAMP COLOR 2700K
 LUMENS/WATT 514.29
