Union Wall Sconce

By SkLO

Description

The Union Wall Sconce combines upward and downward-facing glass domes in a variety of proportions, color palettes, transparencies, and textures for an elegant and sophisticated look. The lower glass portion is made of glossy opaque glass and illuminated from within to produce an ethereal glow. The upper glass dome is made of frosted glass, and the two pieces are separated by a brass arm with classic detailing.

Shown in brushed brass / pastel green / pine tree green
