## Barnacle Small Urchin FreeJack Pendant By Siemon & Salazar

## Description

The Barnacle Urchin Pendant focuses on the way glass forms and light play with each other. Handrendered texture creates unique projected patterns on the urchin and barnacle lights. These low voltage fixtures can be hung singularly from a monopoint canopy or as a grouping for a statement piece. Hand-blown and shaped in lead free crystal. No molds are used, and each glass shape is unique. Canopy required and sold separately. Includes male FreeJack connector.
