Bubble Small Orb FreeJack Pendant By Siemon & Salazar

Description

The Bubble Small Orb Pendant focuses on the way glass forms and light play with each other. Whipped glass clouds the bulb on the bubble lights. These low voltage fixtures can be hung singularly from a monopoint canopy or as a grouping for a statement piece. Hand blown and shaped in lead free crystal. No molds are used, and each glass shape is unique. Includes male FreeJack connector. Requires a FreeJack canopy, not included.

Shown in satin nickel / clear bubble
