Precision Double Swing-arm Library Wall Light

By Visual Comfort Signature

Description

The Precision Double Swing-arm Library Wall Light brings a harmonious mix of light and form to your interior space. A warm glow of light shines through the glass diffuser and highlights the holes on the base of the metal shade, creating interesting patterns of illumination and shadows in your room. Lower arm adjusts to 45 degrees maximum and the upper arm adjusts to 135 degrees maximum for an adjustable depth of up to 19.75 inches. Dimmer switch of High/Medium/Low/Off is located on the back of the head.
