## Precision Articulating Table Lamp

By Visual Comfort Signature

### Description

The Precision Articulating Table Lamp brings a harmonious mix of light and form to your interior space. A warm glow of light shines through the glass diffuser and highlights the holes on the base of the metal shade, creating interesting patterns of illumination and shadows in your room. Lower arm adjusts to 45 degrees maximum and the upper arm adjusts to 100 degrees maximum for an adjustable height of 19.5 inches to 30.25 inches. Dimmer switch of High/Medium/Low/Off is located on the back of the head.
