Henry Swing Arm Wall Sconce

By Hubbardton Forge

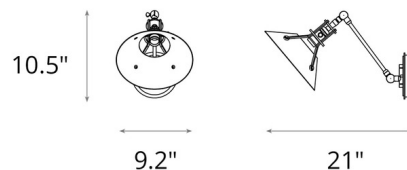

Description

The Henry Swing Arm Wall Sconce brings both style and function to your interior space. The open diffuser adds warm light in your room while the adjustable arm, with a steel claw, brings a classic industrial vibe to your room. Choose a Finish for the base, pipe, and socket and a Color for the shade. Thumb screws on the sconce arm allow for vertical height adjustment while a swivel at the baseplate allow for side to side adjustment of 25 degrees in each direction. Dimmer switch is located on the socket. Limited lifetime warranty when installed in a residential setting. Handcrafted to order by skilled artisans in Vermont, USA.

Shown in modern brass / modern brass
