## Shield Floor Lamp By Hubbardton Forge

### Description

The Shield Floor Lamp draws its form from the protective Roman scutum. Two substantial plates of heavily forged steel are gently curved to shape the design. The larger, colored back plate curves vertically into a concave surface, illuminated by a slimmer, vertically curved outer plate that stands slightly forward, concealing the LED element from view. A discreet dimmer pole is positioned behind the larger shield. Choose a finish for the base and small plate and choose an accent color for the large decorative plate. Lifetime Limited Warranty when installed in residential setting. Handcrafted by skilled artisans in Vermont, USA.
