Snaps Pendant w/Metal Cone

By Hubbardton Forge

Description

The Snaps Pendant w/Metal Cone introduces a charming, rustic farmhouse aesthetic to your interior space. It showcases a clear, thick shaped glass that is embraced by a cone-shaped short metal housing. The two, top/bottom, LED components are diffused by an inner puck, with the 45 degree outward-facing glass being frosted in the center, suspended from an elongated strap, complemented by a shorter extension strap crafted from fine-grain leather. This design casts a warm interplay of light and shadows throughout your room.Note: Unleash your creativity of endless creations by ordering an extension piece, 902822 and 905700, sold below.

Shown in sterling / clear
