Cerne Chandelier By Visual Comfort Modern

Description

The Cerne Chandelier by Kelly Wearstler for Visual Comfort Modern Collection is a minimalistic disc of framed light inspired by pure circular geometries. Similar to fluorescent panel lighting of the past brought into the current using warm LED and Light Guide technologies. Cerne is available with customizable stems with hang straight and a two-sided glass lens to direct light both upwards and down. Dimmable with most LED compatible ELV, Triac and 0-10V dimmers.
