Hennin Wall Sconce By Currey & Company

Description

The Hennin Wall Sconce takes its inspiration from Mid-Century modern style with a striking form in an oil-rubbed bronze finish. The metal structure is accented with bobeches in antique brass, adding warmth and contrast to the darker frame. Each arm is fitted with an elongated white glass shade with an integrated LED. Merging technology with a timeless silhouette, this sconce balances crisp geometry with refined materials for a look that feels both classic and current.

Shown in oil rubbed bronze / frost
