Water-Borne Table Lamp

By Currey & Company

Description

With flowing peaks and valleys, the Water-borne Table Lamp echoes the form and feel of driftwood. Finished in a creamy off-white glaze, the lamp body rises from a warm wood base that adds warmth and grounds the composition. A matching finial fastens the drum shade to the fixture. A natural linen drum shade adds the final touch. 3-Way switch on socket.

Shown in off white / natural

Specifications
