Djinn Table Lamp

By Currey & Company

Description

The Djinn Table Lamp is timeless lamp, perfect for a classic living room or den. Made of cast aluminum in a verdigris finish, the lined body has a swirling, antique texture. A stacked base in antique brass anchors the piece, while the empire linen shade and coordinating finial provide the finishing details. Due to the artisanal finish, the surface of each lamp can differ slightly. 3-Way switch on the socket.
