Edith Desk Lamp

By Currey & Company

Description

The Edith Desk Lamp is inspired by Mid-Century modern lighting. Its domed shade, finished in antique brass, is set over tapering coffee-brown marble pieces that telescope upward toward. Slim brass rings divide each section, visually tying the marble to the brass collar and shade. Due to its natural material, the stone may vary slightly from lamp to lamp. To turn on/off, use the pull chains located under the shade.
