Brielle Table Lamp

By Currey & Company

Description

With a swirling surface inspired the northern lights, the pale pink, green, and brown glass body of the Brielle Table Lamp is an exemplar of sophisticated glassblowing techniques. The graceful form sits on a metal base, carved with a pattern and finished in gold leaf. A box-pleated off-white shantung shade adds to its sophisticated appeal. Due to the handmade glass, the surface may vary slightly from lamp to lamp. 3-Way switch on socket.
