# Henrietta Table Lamp

By Currey & Company

## Description

Inspired by a vase designed by Heinrich Lffehardt in 1970, the Henrietta Table Lamp is full of soft vintage charm. The body is made of mold-blown glass that slightly tapers and then curves dramatically toward the top to create a bold, sculptural profile. A stepped optic crystal base, polished nickel cap, and off-white polyester shade provide the finishes touches. 3-Way switch on socket.
