Marche Portable Table Lamp

By Currey & Company

DAMP

Description

The Marche Portable Table Lamp packs a classic style into a petit silhouette. Set like a jewel in the brass stem, the brown or white marble creates a central focal point. A tall white shade complements the narrow profile. This portable lamp can be charged to run for up to 13 hours at full brightness, making it perfect for an end table, book shelf, or anywhere else you need a pop of light.
