Eastlin Floor Lamp

By Currey & Company

Description

The Eastlin Floor Lamp fuses a table lamp and side table into one functional and fashionable piece. Anchored by a heavy white marble base, a thin antique brass stem rises to support a tabletop and arches outward to hold a canister shade. The shade can be tilted and rotated for added ease of use. The white marble juxtaposes with the antique brass finish on the metal to create a contrasting color story. Due to the natural material, the stone may vary slightly from piece to piece.

Shown in antique brass / marble

Specifications
