Aqueous Floor Lamp

By Currey & Company

Description

The Aqueous Floor Lamp is made from cast aluminum in a dark bronze finish, with a rich patina of bronze and brown tones. Its tall stem rises from a round base in an artful curve before narrowing to support a series of disc-like turnings near the top. A light gray polyester cotton shade adds the finishing touch. Due to the artisanal finish, the patina of each piece can differ slightly. 3-Way switch on the socket.

Shown in dark bronze / light grey
