Virtu Color-Select Convertible Pendant

By Currey & Company

Description

The Virtu Color-Select Convertible Pendant has a beautifully composed shade around which clamrose shells are fashioned to look like rosebuds. Each petal is hand-placed in this artisanal offering, elevating the overall design. When illuminated, LED light filters through the shade and surrounds the shells in this lovely nature-inspired luminary. LED color select options include 2700K, 3000K, and4000K. Install as a semi flush or pendant.

Shown in white / natural
