By Currey & Company

Description

Made and assembled by hand, the Spring Flower Semi Flush Ceiling Light is inspired by a fresh flowers in spring. A drum of small white flowers are fashioned from frosted glass and attached to the frame with four-leaf-clover-shaped metal brads in a brass finish. Each petal is individually cut, polished, drilled, and pinned by hand, and each flower requires four pins to secure it- a complex process that takes many hours to complete.
