Sudeley Pendant By Currey & Company

Description

The Sudeley Pendant features a modern update to the classic lantern light. Its cylindrical shade is made of thick hammered glass for added weight and texture, and secured by a reeded iron band in a refined satin brass finish. The hanging chain has square edges that emphasize its modern profile, providing a subtle contrast to the shade. When illuminated, this pendant diffuses the light with a soft, dappled glow.

Shown in satin brass / clear
