## Hoola Pendant - Overstock

By tossB

### Description

The Hoola Pendant, designed by Jos Muller, is a minimal piece that creates an archetypical light circle. The soft light is directed upward and downward. Hoola is a real eye-catcher when different diameters are combined. It can be arranged in horizontal, angled or even vertical positions. The lamps can be placed close to a ceiling, in free open spaces or vertically along the wall.

Shown in black
