Valentina Bathroom Vanity Light

By Thesis

Description

The Valentina Bathroom Vanity Light features softly rounded glass shades paired with a clean, bold metal arm for a refined modern look. Thoughtfully balanced in both form and function, this versatile design is offered in a variety of glass and metal combinations to complement a range of interior styles. For added versatility, the fixture can be mounted in either an upward or downward position to best suit your space. The contrasting finishes add depth and definition, bringing an elevated sense of style and sophistication to any bath or vanity settings.
