## Jubilee Color Select Outdoor Wall Sconce By Thesis

### Description

The Jubilee Color Select Outdoor Wall Sconce transforms light into functional sculpture. A ribbed metal reflector curves gently behind a sleek angular bar, where texture and light meet in perfect harmony. Integrated 5CCT LEDs allow you to choose between 2700K, 3000K, 3500K, 4000K, and 5000K color temperatures, casting illumination backward and reflecting it forward to create a soft, sophisticated glow that adds warmth and architectural depth to any exterior space.

Shown in matte black / clear
