Overture Color Select Linear Chandelier

By Thesis

Description

The Overture Color Select Linear Chandelier is inspired by the graceful batons of orchestral conductors, striking a refined balance between luxe minimalism and expressive form. Its slender, adjustable arms are fitted with rotatable integrated LED elements at each end, allowing the light to be composed and reoriented in endless configurations. Designed for versatility, the integrated 5CCT LED system offers selectable color temperatures of 2700K, 3000K, 3500K, 4000K, and 5000K, allowing the ambiance to be tailored to a variety of spaces and preferences. A hammered metal detail at the center of each arm, mirrored in the canopy, adds a jewelry-like glimmer that enhances the chandelier's sleek, sculptural silhouette.

Shown in champagne gold / white

Specifications

COLOR	White
