Solstice Color Select Convertable Pendant

By Thesis

Description

The celestial-inspired Solstice Convertible Pendant features an etched opal glass diffuser with subtle ribbed detailing below a flat, mirror-polished shade. The effect of this modern, minimalist silhouette creates the illusion of a floating sphere, reminiscent of a distant planet. Designed to shape the mood of any space, Solstice can be installed as a pendant, flush mount, or wall sconce. Its integrated 5CCT LED technology offers five selectable color temperatures for effortless control of the ambiance: 2700K, 3000K, 3500K, 4000K, 5000K.

Shown in polished nickel / opal ribbed
